The ~~No Child Left Behind Act (NCLB) of 2001~~ **Every Student Succeeds Act (ESSA)** is a reauthorization of the Elementary and Secondary Education Act (ESEA)/~~Improving America's Schools Act (IASA) 1994,~~ **of 1965 that provides** providing **Federal** funds to help all New Jersey's school children achieve, ~~at a minimum, proficiency in the State standards.~~ ~~NCLB embodies four key principles or pillars of education reform: accountability, flexibility, choice, and methodology.~~ **The purpose of the ESSA is to ensure all students have equitable access to high-quality educational resources and opportunities and to close educational achievement gaps.** The Board of Education elects to augment the instructional program of students by projects supported by Federal funds allocated under **the ESSA** ~~NCLB~~ and the district will comply with the requirements of all the programs authorized by **the ESSA** ~~NCLB~~.

The district may be eligible for several grant programs funded through **the ESSA** ~~NCLB~~, including, but not limited to, Title I through Title VII. Many of the Titles of **the ESSA** ~~NCLB~~ have several parts and subparts that provide a funding source for specific purposes.

Application Procedure

The district will submit an annual **ESSA** ~~No Child Left Behind Consolidated Formula Subgrant Application~~ to the New Jersey Department of Education (NJDOE). The school district's application shall include all information required by the NJDOE and **the ESSA** ~~NCLB~~ for the district to be considered for funding under **the ESSA** ~~NCLB~~.

Covered Programs

Formula grants under the ESSA are non-competitive grants that school districts are eligible for based on the make-up of their student bodies. These formula grants for each Title are committed to different purposes and may be used to support different activities and programs.

~~The intent of NCLB is that all children will meet State academic achievement standards to reach their potential through improved programs. The NCLB Consolidated Formula Subgrant includes the following programs:~~

- ~~1. Title I, Part A provides the programs and resources for disadvantaged~~

Title II, Part A provides the resources for improving teacher and Principal quality and increasing the number of highly qualified teachers and Principals in classrooms and schools, thereby raising student achievement in the academic subjects. It focuses on preparing, training, and recruiting high-quality teachers and Principals and requires the State to develop plans with annual measurable objectives that will ensure all teachers teaching in core academic subjects are highly qualified by the end of the 2005-2006 school year.~~
- ~~4. Title II, Part D facilitates comprehensive and integrated educational technology strategies that target the specific needs of individual schools. It improves student academic achievement through the use of technology in elementary and secondary schools, while addressing the digital divide such that every student is technologically literate by the end of eighth grade. Effective integration of technology resources and systems with teacher training and curriculum development are encouraged in order to identify and showcase best practices in educational technology.~~
- ~~5. Title III, Part A focuses on the teaching of English to limited English proficient (LEP) children, including immigrant children and youth.~~
- ~~6. Title IV, Part A provides resources for fostering a safe and drug-free learning environment that supports academic achievement.~~

- ~~8. Title VI, Part B addresses the unique needs of rural school districts.~~
- ~~9. Title IX covers the general provisions applicable to some/all of the programs.~~

The emphasis on scientifically based methodology encourages the use of teaching techniques and practices that are founded on research and proven to produce positive results.~~
