

5200 ATTENDANCE (M)

M

In accordance with the provisions of N.J.S.A. 18A:38-25, every parent, guardian, or other person having control and custody of a child between the ages of six and sixteen shall cause the child to regularly attend school. The Boonton Board of Education requires students enrolled in the schools district attend school regularly in accordance with the laws of the State.

The NJMVC shall disclose to a school district the information requested in accordance with procedures established by the NJMVC. However, the school district shall not condition enrollment in the district on immigration status or on the fact that the NJMVC does not have the name or address of the parent on file. In accordance with the provisions of N.J.A.C. 6A:16-7.6 and for the purposes of Policy and Regulation 5200, a student's absence from school will **either** be excused or unexcused. **Unexcused absences will** count toward truancy.

A parent or adult student shall provide advance notice to the school prior to the student being absent from school. In accordance with N.J.S.A. 18A:36-25.6, if a student is determined to be absent from school without valid excuse, and if the reason for the student's absence is unknown to school personnel, the Principal or designee shall immediately attempt to contact the student's parent to notify the parent of the absence and determine the reason for the absence.

Students that are absent from school for any reason are responsible for the completion of assignments missed because of their absence. **In accordance with N.J.S.A. 18A:36-14, a student who is absent from school for observing a religious holiday shall not be deprived of any award, eligibility, or opportunity to compete for any award, or deprived of the right to take an alternate test or examination that was missed because of the absence provided there is a written excuse of such absence signed by the parent.**

Prolonged or repeated absences, excused or unexcused, from school or from class, deprive students of the educational and classroom experiences deemed essential to learning and may result in retention at grade level or loss of credit or removal from a course that would count toward the high school diploma in accordance with policies of this Board.

Students shall be subjected to the school district's response for unexcused absences that account toward truancy during the school year as outlined in N.J.A.C. 6A:16-7.6(a)4 and Regulation 5200.

Unexcused absences from school or from classes within the school day may subject a student to consequences that may include the denial of a student's participation in co-curricular activities and/or athletic competition. Repeated absences from school interfere with efforts of **the** Board and its staff in the maintenance of good order and the continuity of classroom instruction and such absences may result in the removal of the student from a class or course of study

The Superintendent shall calculate and monitor the average daily attendance rate for the district and for each school in the district. Whenever the average daily attendance rate does not meet the New Jersey Department of Education requirements the Superintendent or designee shall develop a district improvement plan to improve student attendance pursuant to N.J.A.C. 6A:30-5.2
